Hear from some of our happy clients.

Used Balloons & Beyond last week for a party. We got the package with the shimmer wall included and was not disappointed. Victoria kept me updated with everything that was included in the package and if was anything I wanted changing, the week before I even got a message to confirm my colours and choose the shade that was right for the party. I highly recommend Ballons and Beyond you won't be disappointed, definitely will be using again.

Will 100% recommend for anyone wanting balloons. Victoria went out of her way to help me pick the right balloons for my 40th birthday party. I have to say my room looked lovely the way they were set out and was so pleased I ordered them. Very reasonably priced too, and what a lovely women to speak too. Will defo being using again in the future.

Gemma Landreth

We had Balloons and Beyond for my husbands retirement party. Nothing was too much trouble. Balloons were fantastic. Will certainly recommend to others. Thank you so much.

Eileen Sanderson

Vikki is amazing! I contacted her a week before my party after being let down by another supplier and within a couple of hours we had everything sorted. She was full of great ideas and made sure everything was just what I wanted. I can't wait to use her again for my next celebration. Thanks Vikki!

Jo Wright

Would definitely recommend balloons & beyond! Our engagement party looked amazing with the balloon hoop, welcome sign and table balloons! Victoria was lovely throughout helping at the start when I wasn't really sure what I wanted, helped with colours for the balloons and wording for the signs, kept me updated the whole time! 100% worth every penny.

Chloe Laidlow
